FOR IMMEDIATE RELEASE

## **FSSI Receives Women’s Business Enterprise Certification from CPUC Supplier Clearinghouse**

*Certification saves time and provides assurances to utilities seeking statement and invoice production, electronic statement presentment, and bill presentment services*

SANTA ANA, CA. – March, 2010 – Financial Statement Services, Inc. (FSSI), a leading provider of outsourced customer communications solutions to the utility industry, has been certified by the California Public Utilities Commission’s (CPUC) Clearinghouse for Utility Supplier Diversity. The certification expedites diversity-partner engagement by eliminating individual utilities’ need to audit and verify woman-, minority- and service-disabled veteran suppliers.

“Clearinghouse approval assures investor-owned electric, gas, water and telecommunication utilities that [FSSI](#) meets the Commission’s stated diversity requirements,” says Sales and Marketing VP, [Steve Bolaris](#). “Any utility seeking a premier-quality WBE to help reduce acquisition, retention and production costs can confidently outsource their [statement and invoice production](#), [electronic statement presentment](#), and [bill presentment](#) (EBPP, EIPP) to FSSI,” adds Bolaris.

### **About the [CPUC Supplier Clearinghouse](#)**

The Clearinghouse is a CPUC-supervised entity that audits and verifies the status of woman and minority owned businesses, while making its database accessible to the Commission and its participating utilities. The Clearinghouse program precludes the need for individual utilities to audit and verify woman and minority owned businesses with whom they do business.

### **About FSSI**

Founded in 1980, FSSI is an experienced utility industry supplier and full-service provider of outsourced statement and invoice production, electronic statement presentment, and bill presentment (EBPP, EIPP) services. FSSI’s solutions reduce overhead, capital and postal expenses, while providing unprecedented tracking and audit controls, including Unique Piece Tracking. For more information, call (714) 436-3865 or visit [www.fssi-ca.com](http://www.fssi-ca.com).
