FSSI Expands Its Business Development Team with the Addition of Michael Perales

The company's statement and invoice production, electronic statement presentment, and bill presentment (EBPP, EIPP) services to be highlighted in new national outreach

SANTA ANA, CA. – March, 2010 – Santa Ana-based Financial Statement Services, Inc. (FSSI), a leading provider of outsourced printed and online document design and production solutions, has hired business-development specialist Michael Perales to expand its nationwide outreach to key industry verticals—including healthcare, utilities and financial services. Mr. Perales' previous experience includes similar duties, as well as sales training and database management for the world's largest credit card processing company.

From the company's 167,000 sq. ft. headquarters in Santa Ana, CA, Mr. Perales will support FSSI's sales and marketing teams through strategic planning, partner recruitment and relations, and customer education. His responsibilities also include supporting facility tours, tradeshow and onsite events. Benefits of the company's customizable [statement and invoice production](#), [electronic statement presentment](#), and bill presentment (EBPP, EIPP) solutions will be emphasized.

"FSSI offers many cutting-edge services and technologies," says FSSI Sales and Marketing VP, [Steve Bolaris](#). "Through his experience and understanding of commerce—particularly technology—Michael will communicate the myriad financial and operational benefits of outsourcing statement print-and-mail and electronic document presentment. Michael's unique skill set adds a new dimension to our business-development program," notes Bolaris.
