FSSI Hires Former Bank Executive Randy Bryant as its New Director of Client Services

Leading outsourcer of [statement and invoice production](#), [electronic statement presentment](#), and [bill presentment \(EBPP, EIPP\)](#) solutions expands its ability to serve and support clients nationwide

SANTA ANA, CA. – June, 2010 – As evidence of a continuing commitment to the quality and success of its business relationships, Financial Statement Services, Inc. ([FSSI](#)), has created a new Director of Client Services role that will be filled this month by former AmSouth Bank executive and print-industry veteran, Randy T. Bryant.

Mr. Bryant, who has also served as Director of Relationship Management at Pinnacle Data Systems and Sungard EXP Output, will work closely with FSSI service managers and executives to build upon FSSI's industry-renowned reputation for responsiveness, professionalism and technical knowledge. Mr. Bryant will also add his insight and experience to expand and enhance the company's Client Services training program.

"Randy came highly recommended by a long-term client who felt that Randy's executive experience, energetic work style and deep, personal commitment to relationships based on integrity and trust fit perfectly with FSSI's service-first culture," says company president Jennifer P.W. Dietz. "He is a great communicator with the proven ability to connect with teams from a variety of disciplines and verticals.

These skills, coupled with his in-depth knowledge of financial services, [statement and invoice production](#), [electronic statement presentment](#), and [bill presentment \(EBPP, EIPP\)](#), will make Randy an indispensable asset to both clients and staff. We're very happy to have him aboard," Dietz adds.
